RE: DE 22-011 Public Service Company of New Hampshire d/b/a Eversource Energy
Line Extension Rate Filing – DOE Clarification

Dear Chair Goldner:

On March 30, 2022, the New Hampshire Department of Energy (DOE) filed a recommendation regarding the filing by Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource) with respect to updates to its line extension policy and tariff pages to become effective on April 1, 2022, absent a Commission order to the contrary, pursuant to Puc 1603.07. The DOE's March 30, 2022 letter referred to Eversource's initial filing on March 15, 2022 and a revised filing dated March 28, 2022. Eversource subsequently submitted another (second) revised filing dated March 29, 2022, where it corrected the revised tariff page, which had inadvertently included an extra revision to tariff page 25 that should not be included. The DOE clarifies that the tariff revision submitted with Eversource's filing dated March 29, 2022 is the tariff revision that DOE recommends for approval.

Sincerely,

/s/ David K. Wiesner
