Re: Docket No. DW 22-012 (Bodwell Waste Services Corporation)
Petition for Approval to Terminate Service
June 1, 2022 Technical Session Report

Dear Chairman Goldner:

Please accept the following report on behalf of the parties present at the technical session, held on June 1, 2022, in the above-referenced matter. All parties to this docket were in attendance at the technical session, which includes the following: Bodwell Waste Services Corporation; the City of Manchester; the Town of Londonderry; the Office of the Consumer Advocate; and the Department of Energy (DOE) (collectively the Parties).

After discussion regarding the upcoming brief deadline of June 20, 2022, and the uncertainty of the Town of Londonderry's position in this matter, the Parties agreed to delay submission of a formal procedural schedule. The Parties agreed, however, that discovery would proceed in the interim. At this time, the DOE intends to propound discovery by June 9, 2022.

Thank you for your attention to this matter.

Sincerely,

/s/ Christopher R. Tuomala
