**Re: Docket No. DW 22-012  
Bodwell Waste Services Corporation  
Letter in Lieu of Brief**

Dear Chairman Goldner:

At its June 1, 2022 Prehearing Conference in the above-captioned proceeding, the New Hampshire Public Utilities Commission (“PUC” or “Commission”) set a deadline of June 20, 2022, for the filing of briefs addressing the Commission’s authority to grant Bodwell Waste Corporation’s (“Bodwell”) request to collect current rates from customers until such time that an outstanding loan of approximately \$350,000 from the Merrimack County Savings Bank is fully repaid. The City of Manchester Environmental Protection Division (“EPD”) continues to take no position on Bodwell’s rate request and therefore will not be filing a brief on the issue of the Commission’s authority to grant the request.

This letter is filed electronically only consistent with the Commission’s March 17, 2020 suspension of the requirement to file paper copies. Copies have been provided to the Office of Consumer Advocate and the service list.

If you have any questions, please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink that reads "Thomas B. Getz". The signature is stylized and cursive.
