**Re: Docket No. DW 22-012  
Bodwell Waste Services Corporation  
City of Manchester's Petition to Intervene**

Dear Chairman Goldner:

By an Order of Notice issued May 10, 2022, in the above-captioned proceeding, the New Hampshire Public Utilities Commission ("PUC" or "Commission") commenced an adjudicative proceeding and scheduled a prehearing conference for June 1, 2022. In addition, the Commission determined that the City of Manchester was a mandatory party to the proceeding and set May 17, 2022, as the deadline for filing petitions to intervene. Enclosed is the City of Manchester's Petition to Intervene insofar as it is required for the City of Manchester's participation.

This letter is filed electronically only consistent with the Commission's March 17, 2020 suspension of the requirement to file paper copies. Copies have been provided to the Office of Consumer Advocate and the service list.

If you have any questions, please do not hesitate to contact me.

Sincerely,
