**RE:** Docket No. DE 22-021  
Public Service Company of New Hampshire d/b/a Eversource Energy  
2022 Default Energy Service Solicitation – schedule modification

Chair Goldner:

Yesterday, Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource”), filed the schedule listed below for its upcoming default energy service procurement including a request for a prehearing conference the week of November 7, 2022. However it was discovered that the Eversource electric supply staff have a conflict on Tuesday, November 8, and so are unavailable that day. Eversource remains available for the rest of that week.

Thank you for your assistance in this matter.
