Dear Chair Goldner:

In compliance with the Commission's Order No. 26,762 issued on January 20, 2023 in Docket No. DE 22-021 (Order Approving Procurement Process and Resulting Rates for Large Customer Group Default Service Customers), the following tariff page is transmitted herewith:

NHPUC No. 10 - Electricity Delivery  
Public Service Company of New Hampshire dba Eversource Energy

5<sup>th</sup> Revised Page 87

Effective: February 1, 2023

This tariff page implements an increase in PSNH's Default Energy Service charges effective February 1, 2023, as approved by the Commission in the Order.

A redlined tariff page denoting the changes was filed with the Commission on January 3, 2023. A redlined tariff page denoting the tariff changes effective February 1, 2023, and incorporating the authorization footnotes in compliance with the Commission's rules is included in this submittal for easy identification of the changes.

Please feel free to contact me if you have any questions regarding this matter.

Sincerely,
