Re: Request for Approval of Keene Community Power Aggregation Plan

Dear Chairman Goldner,

Attached please find the Keene Community Power Electric Aggregation Plan for review and approval by the Commission pursuant to RSA 53-E:7.

This Plan was developed by the Keene Community Power Committee and adopted by unanimous vote of the City Council on May 6, 2021. The plan was then amended on March 18, 2022 to better address questions of data security. This amended Plan is being submitted prior to approval by the City Council, which is the City of Keene's governing body and its legislative body.

The City is providing copies of this plan today to the Office of the Consumer Advocate, the NH Department of Energy, and Eversource, which is the electric distribution utility serving the City of Keene, should they wish to comment on the plan. Pursuant to current Commission policy, this filing is being made electronically only. Please do not hesitate to contact me if you have any questions.

Sincerely,

Elizabeth A. Dragon
City Manager
