**Re: Docket No. DE 22-024; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
Default Service Solicitation**

Dear Chairman Goldner:

On behalf of Liberty Utilities (Granite State Electric) Corp., I write to request an extension of the October 11, 2023, deadline for filing compliance tariff pages as established in Order No. 26,752 (Dec. 22, 2022) ("Liberty shall file conforming tariff pages, incorporating the new energy service rates, all as approved herein, within 20 days of the date of this order").

The date that this 20-day period ends, January 11, 2023, is the same date that the Commission will conduct a hearing on the final piece of the default service rates at issue in this docket., that is, the large customer group rates for February 1 through April 30, 2023, for which Liberty did not receive qualifying bids prior to the initial December 22 hearing.

By extending the deadline until after the Commission approves the above referenced rates for the large customer group, the Company will be able to make a single compliance filing in implement all the approved default service rates. A single filing will be less confusing to customers and the public and more administratively efficient. Thank you.

Sincerely,
