**Re: Docket No. DE 22-024; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
Default Service Solicitation**

Dear Chairman Goldner:

In Order No. 26,758 (Jan. 13, 2023) in the above docket the Commission approved the Company's request to self-supply default service to its large customer group for the period February 1 through April 30, 2023. The Order, at page 8, also directed Liberty to file "periodic (monthly) default service pricing reports ... which will provide information about current pricing outcomes in our regional competitive electricity market." The Company filed its first two monthly reports in March and April, providing February and March 2023 information.

On behalf of Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty, and in compliance with the above directive, attached please find the April 2023 Default Service Report and supporting Excel file, which contain information for April and updates to the previously filed reports.

Note that the Company intends to file one last report for the February 1 through April 30 period once all the estimated figures can be replaced with actuals.

Thank you.

Sincerely,
