**Re: Docket No. DE 22-024; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
Default Service Solicitations**

Dear Chair Goldner:

Enclosed for filing in the above matter please find the *Direct Testimony of John D. Warshaw*, with attached schedules, and the *Direct Testimony of Erica L. Menard and James King*, with attachments and proposed tariff pages.

Note that the Company has not included proposed tariff pages (clean or redlined) for changes to the EV-L and EV-M Rate Classes because new rates for those classes cannot be calculated until the Company determines the rate for the Large Customer Group Block A, which will occur after the further process described in Mr. Warshaw's testimony.

The Company asserts confidentiality of the appropriately marked information pursuant to Puc 201.06(a)(15), as governed by the procedures described in Puc 201.06 and Puc 201.07.

Pursuant to the Commission's March 17, 2020, secretarial letter, only an electronic version of this filing will be provided. Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read "M. Sheehan", written in a cursive style.
