Record Request 1–
Reference Hearing Exhibit 10, Second Revised CGKS-5.
Assume that the \$407,914,123 at Line 1, Column (b) includes no growth component.
(a) (1) Calculate the revenue requirement assuming no additions were made in 2021;
(2) Calculate the revenue requirement for non-growth assets added in 2021;
(3) Sum 1 and 2 to determine the revenue requirement.
(b) Subtract 2021 Growth Plant Additions from the total change in net plant and calculate the revenue requirement.

Objection made by Unitil Energy Systems, Inc. for the continued reference to materials that were submitted in the rate cases that are not in the record in this case.

Commission asked that the New Hampshire Department of Energy stay focused on the matter at hand.

The record will be held open pending written closing statements and record requests that are due by June 22, 2022.

The matter will be taken under advisement and an order will be issued.
