Re: DE 22-027 - Petition for Authority to Construct, Own, Operate, and Finance Additional Transmission Equipment in Seabrook, New Hampshire – Affidavit of Publication

Dear Chairman Goldner:

On June 8, 2022, the New Hampshire Public Utilities Commission (“Commission”) issued the Commencement of Adjudicative Proceeding and Notice of Prehearing Conference Order in the above-captioned docket. That Order required that New Hampshire Transmission, LLC (“NHT”) notify all entities and individuals desiring to be heard by publishing a summary of the order of notice attached to the Order no later than June 18, 2022 in a newspaper with general circulation in those portions of the state in which the proposed Project is to be located. The Order also required that the publication be documented by affidavit filed with the Commission on or before June 30, 2022. Enclosed is an affidavit being filed as required by the June 8, 2022 Order of the Commission.

Thank you for your assistance.

Sincerely,

Douglas L. Patch
