**Re: DE 22-027 - Petition for Authority to Construct, Own, Operate, and Finance Additional Transmission Equipment in Seabrook, New Hampshire – Affidavit of Publication of Nisi Order**

Dear Chairman Goldner:

Order No. 26,672 issued by the New Hampshire Public Utilities Commission (“Commission”) on August 26, 2022 in the above-captioned docket required that the order be published in a statewide newspaper of general circulation or of circulation in those portions of the state where operations are conducted no later than September 2, 2022, and that this be documented by affidavit filed with the Commission on or before September 9, 2022. Enclosed is an affidavit being filed as required by the August 26, 2022 Order of the Commission.

Thank you for your assistance.

Sincerely,

Douglas L. Patch
