

STATE OF NEW HAMPSHIRE  
PUBLIC UTILITIES COMMISSION

Docket No. DG 22-028

LIBERTY UTILITIES (ENERGYNORTH NATURAL GAS) CORP.  
d/b/a LIBERTY

**Petition for Approval of Step Adjustment Filing**

**Motion to Accommodate Remote Participation at the July 12, 2022, Hearing**

Liberty Utilities (EnergyNorth Natural Gas) Corp., through counsel, respectfully moves the Commission to allow witness Paul Normand to appear at the July 12, 2022, hearing via video.

In support of this motion, Liberty represents as follows:

1. Liberty intended to call as witnesses at the July 12 hearing in this docket only those Liberty employees who filed testimony in this docket.
2. The Department of Energy informed Liberty today, July 5, that it intended to explore at hearing issues related to the Company's depreciation report. Paul Normand is the outside consultant who prepared the depreciation report and is the best witness to answer DOE's questions.
3. Liberty thus included Mr. Normand on the witness list filed this date.
4. Mr. Normand is located in Reading, Pennsylvania, and bringing him to New Hampshire for hearing would be a substantial expense for Liberty to incur, especially on such short notice.

WHEREFORE, Liberty respectfully asks that the Commission accommodate Mr. Normand's appearance through a hybrid hearing.

Respectfully submitted,

Liberty Utilities (EnergyNorth Natural Gas) Corp., d/b/a  
Liberty  
By its Attorney,

Date: July 5, 2022
