Re: DW 22-029 Pennichuck Water Works, Inc.
Petition for Approval of Special Contract with Town of Hudson
Proposed Procedural Schedule

Dear Chairman Goldner:

Pennichuck Water Works, Inc. (PWW) and the Department of Energy (DOE) met in a technical session on September 9, 2022. This technical session was the last element of the procedural schedule approved by the Commission in a procedural order dated July 11, 2022. In that order, the Commission noted that the parties may be filing an additional proposed procedural schedule in the future. To that end, PWW and DOE discussed at the technical session that they wish to conduct an additional round of discovery and hold a technical/settlement session. Therefore, PWW and DOE offer the following schedule for the Commission's consideration:

Data Requests to PWW (Set 4)	September 12, 2022
Data Responses from PWW	September 26, 2022
Technical/Settlement Session	October 6, 2022, 10 AM virtual

Thank you in advance for the Commission's consideration of this additional process for this docket.

Very Truly Yours,
