Petition to Approve Special Contract with Town of Hudson  
Motion for Protective Treatment

Dear Chairman Goldner:

Pursuant to the Commission's electronic filing requirements dated March 17, 2020, attached please find Pennichuck Water Works, Inc.'s motion for protective treatment concerning the electronic version of the cost of service model being contemporaneously filed with the settlement agreement. The Company has attached a public PDF version of the electronic model as well as the live Excel version. There are no redactions to the public copy because it is the electronic model that is the subject of the motion.

Because the parties to this docket to date do not include parties who are not eligible to receive confidential information, this filing will be made in one email to the Commission.

Thank you for your assistance with this filing.

Very Truly Yours,
