PENNICHUCK WATER WORKS, INC.

Request for Change in Rates

Procedural Order Re: Request to Extend Deadline for DOE Analysis

On August 31, 2023, the Commission issued a procedural order requesting that the New Hampshire Department of Energy (DOE) file an analysis of Pennichuck Water Works, Inc.'s (PWW) proposed rate case expense recoupment surcharge by September 20, 2023. On September 19, 2023, the DOE filed a request to extend this deadline to October 23, 2023. The DOE represents that this extension is necessary because it requires additional time to adequately review the discovery information PWW provided and prepare a comprehensive report and recommendation to the Commission. No party has objected to this request. The Commission GRANTS the DOE's request.

So ordered, this fifth day of October, 2023.
