Re: Docket No. DW 22-032
Pennichuck Water Works, Inc. – Permanent Rate Proceeding
Record Request-Hearing Exhibit 7

Dear Chairman Goldner:

At the hearing on the merits held on May 31, 2023, the Commission reserved Exhibit 7 for a record request concerning proposed tariff pages which would reflect the charges customers would see as a result of the overall revenue requirement proposed in the settlement agreement. Those tariff pages are attached, formatted as Hearing Exhibit 7. Tariff page 46 regarding Miscellaneous Utility Service Fees has also been included for completeness.

The Company appreciates the Commission's consideration of the settlement agreement and these tariff pages.

If the Commission has any further questions, the Company stands ready to reply. Thank you for your assistance with this filing.

Very Truly Yours,

A handwritten signature in cursive script that reads "Marcia A. Brown".
