Re: Docket No. DW 22-032
Pennichuck Water Works, Inc. – Permanent Rate Proceeding
Record Request-Replacement Hearing Exhibit 7

Dear Chairman Goldner:

On June 8, 2023, Pennichuck Water Works, Inc. filed proposed tariff pages reflecting the settlement agreement changes to the affected customer rates. This filing was in response to the record request made at the hearing held on May 31, 2023.

Since that filing, it has come to the Company's attention that there was an error in one of the charges. Specifically, the 1" meter charge for private residential service shown on Page 43 should have been \$39.26 instead of \$40.31. That has been corrected in the revised, full, Exhibit 7 for the record request.

We apologize for any inconvenience or confusion this error may have caused.
Thank you for your assistance with this replacement Exhibit 7 filing.

Very Truly Yours,

A handwritten signature in cursive script that reads "Marcia A. Brown".
