**Re: Petition of Pennichuck Water Works, Inc. for Approval of
Financing Under the New Hampshire Drinking Water State
Revolving Loan Fund for the Sweet Hill Project and Twin Ridge
Project in Plaistow
Docket DW 22-033**

Dear Chairman Goldner:

On May 26, 2022, Pennichuck Water Works, Inc. (“PWW”) submitted a 2022 Petition for Approval of Financing Under the New Hampshire Drinking Water State Revolving Loan Fund for the Sweet Hill Project and Twin Ridge Project in Plaistow (“Petition”). PWW subsequently filed a supplement to the Petition on May 27, 2022 and a first amendment to the petition on June 3, 2022. In response to discovery propounded by the Department of Energy on June 16, 2022, PWW has made amendments to certain portions of Mr. Boisvert’s testimony and three exhibits. As part of the discovery responses, PWW has agreed to file the updated testimony and exhibits as an amendment to the pending petition.

PWW therefore respectfully files the this second amendment to the Petition including the attached pages amending the Direct Testimony of John Boisvert, specifically page 8 (Bates 056), page 11 (Bates 059), page 15 (Bates 063) and page 17 (Bates 065) to correct and update the testimony. PWW also includes revisions to Exhibit JJB-1, Page 2 (Bates 067), Exhibit JJB-2 (Bates 070-080) and Exhibit JJB-3 (Bates 081-091) reflecting the updated information and corrections in response to the discovery filed with the Department of Energy. PWW has attached both red-lined and clean versions of the testimony. This request to amend the testimony and exhibits provides the Commission with corrected information and will not cause undue delay. The attached documents do not contain any confidential information.
