**Re: Docket No. DE 22-035; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty
Request for Step Increase**

Dear Chair Goldner:

On behalf of Liberty Utilities (Granite State Electric) Corp., d/b/a Liberty, and in response to the Commission's February 8, 2023, record request, attached please find the Technical Statement of Heather M. Tebbetts, with attachments. This filing provides the updated calculations of the step adjustment as discussed during the February 7 hearing. The Company met with the Department of Energy and believes that DOE agrees with the updated calculations, although the Company did not receive final confirmation prior to this filing.

Also enclosed are clean and redlined versions of illustrative tariff pages that would implement the rates contained in the above technical statement, if approved. Note that the redlined tariff pages show changes that the illustrative pages will have on the tariff currently in effect.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'M Sheehan', written in a cursive style.
