**Re: DE 20-170; Electric Distribution Utilities, Electric Vehicle Time of Use Rates
DE 22-035; Liberty Utilities (Granite State Electric) Corp., Request for Step Increase**

Dear Chairman Goldner:

In an August 6, 2023, Procedural Order in the above dockets, the Commission scheduled a "public technical session with Liberty and any other interested parties for August 16, 2023 at 10:00 a.m."

On behalf of Liberty Utilities (Granite State Electric) Corp., I write to ask that the Commission reschedule that session because it conflicts with a technical session in Liberty's rate case, Docket No. DE 23-039, which date was part of the Commission-approved procedural schedule in that docket. Liberty, the Department of Energy, the Office of the Consumer Advocate, and perhaps others will be participating in the DE 23-039 technical session, which should not be rescheduled due to the tight timeframe for that matter.

The Department of Energy supports this request. Liberty did not hear from the OCA prior to filing this letter. Thank you.

Sincerely,
