Tariff No. 21
Effective Date: August 1, 2023

Dear Mr. King:

Employees of the New Hampshire Public Utilities Commission have reviewed the tariff filing received on August 1, 2023, in the above-captioned proceeding. Liberty Utilities is due to provide a report on all its pending compliance tariffs that have been impacted by an issue with Liberty's EV-M and EV-L rates on September 1, 2023. As many of the pages in this filing reference the EV-M and EV-L rates at issue, the Commission finds this filing provisionally compliant pending the outcome of Commission review of Liberty's September 1 report.

In accordance with the Secretarial letter issued March 17, 2020, this letter will be filed electronically only at this time.

Please e-mail me at tariffs@puc.nh.gov if I can be of assistance.

Sincerely,

/s/ *Ben Martin-McDonough*

Ben Martin-McDonough
Tariff Administrator
