LIBERTY UTILITIES (GRANITE STATE ELECTRIC) CORP. d/b/a LIBERTY

Request for Step Adjustment

Procedural Order Re: Revised Procedural Schedule

On August 29, 2022, the Commission issued a procedural order approving the parties' proposed procedural schedule and scheduling a review hearing on November 15, 2022, regarding Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty's (Liberty) proposed replacement projects for two projects that had been excluded from Liberty's requested step adjustment. After Liberty notified the Commission on September 2, 2022, that it would not be proposing any replacement projects, the Commission issued a procedural order on September 22, 2022 requesting the parties to provide a recommendation for how to proceed in this docket. The New Hampshire Department of Energy (DOE) provided a status update on September 30, 2022, in which it recommended that the parties file an abbreviated procedural schedule to allow Liberty to file for a rate decrease reflecting the absence of any replacement projects. The DOE noted that the parties had not yet agreed upon a schedule.

Based on the DOE's status update, the November 15, 2022 hearing has been CANCELLED. The parties shall file a proposed procedural schedule, as recommended by the DOE in consultation with Liberty, on or before Monday, October 17, 2022.

So ordered, this seventh day of October, 2022.
