**Re: Docket No. DE 22-039
Public Service Company of New Hampshire d/b/a Eversource Energy
Stranded Cost Recovery Charge
Substitution of Witness**

Dear Chairman Goldner:

On June 24, 2022 Public Service Company of New Hampshire d/b/a Eversource Energy (the "Company") submitted its petition for approval to adjust its Stranded Cost Recovery Charge in the above-referenced proceeding. Included with the Petition were the pre-filed testimony and supporting attachments of Marisa B. Paruta. A hearing in this matter has been scheduled for July 20, 2022; unfortunately, Ms. Paruta is unavailable on this date. As a result, Douglas P. Horton and Bryant K. Robinson will adopt Ms. Paruta's pre-filed testimony and supporting attachments.

Mr. Horton is Vice President, Distribution Rates & Regulatory Requirements for Eversource Service Company. In his role, Mr. Horton is responsible for rates and rate-related policies and procedures, as well as preparation and presentation of regulatory filings made by the Eversource Energy operating subsidiaries including the Company. Mr. Robinson is New Hampshire Team Leader, Revenue Requirements. In this role, Mr. Robinson is responsible for preparing regulatory filings including the initial filing submitted in this proceeding. Accordingly, Mr. Horton and Mr. Robinson are well positioned to adopt Ms. Paruta's testimony and respond to cross-examination at the July 20th hearing.

Please contact me if you have any questions. Thank you for your attention to this filing.

Sincerely,

Jessica Buno Ralston
