**Re: Docket No. DE 22-039  
Public Service Company of New Hampshire d/b/a Eversource Energy  
Petition for Stranded Cost Recovery Charge Adjustment-Response to Record  
Requests**

Dear Chairman Goldner:

Enclosed for filing on behalf of Public Service Company of New Hampshire d/b/a Eversource Energy (“Eversource” or the “Company”) in the above-referenced proceeding, please find the Company’s responses to the Public Utilities Commission’s record requests issued in its July 15, 2022 Procedural Order.

The Company’s response to Record Request 1-2 provides Excel files that include commercially sensitive calculations. Eversource is aware that pursuant to Commission practice, Excel files have been used exclusively used by Commission analysts and not posted the Docket webpage. However, due to the commercially sensitive nature of the calculations provided in these Excel files, the Company is requesting that the enclosed Excel files not be filed to the docket. Should it be deemed necessary, Eversource will supplement this filing with a motion for confidential treatment.

If you have any questions, please do not hesitate to contact me. Thank you.

Sincerely,

Jessica Buno Ralston
