Petition for Adjustment to 2022-2023 Stranded Cost Recovery Charge

Procedural Order Re: Rescheduling Hearing

On December 21, 2022, the Commission scheduled a hearing in this docket for January 11, 2023, at 1:30 p.m., to address Public Service Company of New Hampshire d/b/a Eversource Energy (Eversource)'s petition requesting an adjustment to its stranded cost recovery charge. On December 23, 2022, Eversource filed a motion to reschedule this hearing on the grounds that it anticipated receiving data relevant to its petition on January 11, 2023, the day of the hearing. In order to provide the Commission and the New Hampshire Department of Energy (DOE) sufficient time to review this data before the hearing, Eversource requested that the Commission reschedule the hearing for a date in between January 13 and January 23, 2023. The DOE assented to this motion, and there have been no objections. Accordingly, the Commission reschedules the hearing on Eversource's petition to Thursday, January 17, 2023, at 1:30 p.m.

So ordered, this fourth day of January, 2023.
