**Re: DG 22-041; Liberty Utilities (EnergyNorth Natural Gas) Corp., d/b/a Liberty
Petition for Revenue Decoupling Adjustment Factor Rate Amendment
Request to Continue September 27, 2022, Prehearing Conference**

Dear Chairman Goldner:

The Commission's September 6, 2022, notice of hearing in this docket scheduled a prehearing conference and technical session for September 27, 2022.

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp., d/b/a Liberty, I respectfully request a continuance of the prehearing conference/technical session to a date no sooner than October 17, 2022, because counsel for Liberty has longstanding and pre-paid vacation plans that conflict with the September 27 date and the Department of Energy has other scheduling issues through the first two weeks of October.

The requested continuance will avoid "undue hardship or inconvenience" to those parties and the "extension would not unduly delay the proceeding or adversely affect the rights of any party" given the early status of this docket. Puc 202.04(c).

The Department of Energy and the Office of the Consumer Advocate assent to this request.
Thank you.

Sincerely,
