Re: Docket IR 22-042, Energy Efficiency 2022 Annual Reports (correction)

Dear Chairman Goldner,

On June 1, 2023, Unitil Energy Systems, Inc. ("UES") and Northern Utilities, Inc. ("Northern" and together with "UES," "Unitil") filed their Annual Reports for the 2022 program year.

It has come to Unitil's attention that there was a formula error on the Annual Report Reconciliation sheet of UES's Attachment H1. Specifically, in the initial filing at page 6, Line 14 was calculated as: (Line 12 + Line 10) – Line 13. This is not correct. This formula has been corrected to: (Line 12 - Line 10) + Line 13. This correction has no impact on UES's filing.

The enclosed Attachment H1 should replace the version in the initial filing, in its entirety.

Please contact me if you have any questions regarding the enclosed materials and thank you for your continued attention to this matter.

Sincerely,

A handwritten signature in black ink that reads "Matthew Campbell".
