Re: Docket No. DG 22-045; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Winter 2022-2023 and Summer 2023 Cost of Gas and LDAC Compliance Tariff corrections

Dear Chairman Goldner:

On October 31, 2022, the Commission issued Order No. 26,715 in Docket No. DG 22-045 approving rates for the Winter 2022-2023 and Summer 2023 Cost of Gas and annual LDAC. On November 15, 2022, Liberty filed compliance tariff pages in accordance with the above-referenced order. After further review of its filing, the Company found a reference error on Twenty-seventh Revised Page 4 and First Revised Page 5. In response, the Company submits the following corrected tariff pages:

- Twenty-seventh Revised Page 4
- First Revised Page 5

Thank you for your attention to this matter. Please do not hesitate to call if you have any questions.

Sincerely,

/s/ Craig A. Holden
