Daniel Goldner, Chairman
New Hampshire Public Utilities Commission
21 South Fruit Street., Suite 10
Concord, New Hampshire 03301-2429

Dear Chairman Goldner:

Re: Docket No. DG 22-045; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Winter 2022-2023 and Summer 2023 Cost of Gas Compliance Tariff Correction

On November 15 and 17, 2022, Liberty Utilities submitted a compliance tariff filing per Order No. 26,715 dated October 31, 2022, in Docket No. DG 22-045. Clean and redlined tariff pages were enclosed. On November 30, 2022, the Commission issued Order No. 26,737 in both Docket Nos. DG 22-045 and DG 22-057. In that order, the Commission acknowledged the correction of the cost of gas and LDAC per therm rates by customer class.

Included with this letter are the following clean and redlined replacement tariff pages directly affected by Order No. 26,737. They have been updated to reference the latest Order No. 26,737 in the footer and have issue dates of December 15, 2022. The other tariff pages remain unchanged.

- Sixteenth Revised Pages 87 and 89
- Fourth Revised Page 92
- Seventh Revised Pages 95 and 101

Thank you for your attention to this matter. Please do not hesitate to contact me if you have any questions.

Sincerely,

/s/ Craig A. Holden

Craig A. Holden
