**Re: Docket No. DG 22-045; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty
Tariff Page: 12th rev pg 95 (redlined only)
Tariff: NHPUC No. 11
Issued: March 24, 2023
Effective: April 1, 2023**

Dear Chairman Goldner:

On March 24, 2023, Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty (the "Company") filed its April 2023 COG Adjustment, effective April 1, 2023. After further review of its filing, the Company realizes that the redlined version of Twelfth Revised Page 95 did not reflect the C&I Low Winter Use Cost of Gas Rate for April 1, 2023. Liberty submits this cover letter with a corrected, redlined version of Twelfth Revised Page 95, which now reflects the C&I Low Winter Use rate for April 1. The clean version is correct as filed.

Please do not hesitate to contact me with any questions. Thank you.

Sincerely,

A handwritten signature in dark ink, appearing to read "M. Sheehan", written in a cursive style.

Michael J. Sheehan
