Joint Statement Regarding Scheduling

Dear Chair Goldner:

In response to Liberty's request for a December 13, 2023, hearing date to review Liberty's default service solicitation in Docket No. DE 23-044, the Commission issued an October 10, 2023, Procedural Order noting that a hearing in DG 22-045 had already been scheduled for December 13 and directing Liberty to seek consensus among the parties to resolve the conflict.

The parties have conferred and agree to the following:

- No change to the existing Wednesday December 13 hearing date for the RDAF hearing in Docket No. DG 22-045;
- Set Thursday December 7 as the due date for Liberty's default service filing in Docket No. 23-044;
- Schedule the default service hearing in DE 23-044 for a three hour block on Tuesday, December 12, 2023; and
- Reschedule the hearing in DE 23-044 on the 2020 Class III RECs from December 19 to a separate three hour hearing on December 12 in recognition that Liberty's witnesses in both the default service and Class II REC hearings are the same and will be travelling from Missouri.

It appears from the Commission's calendar that December 12 is open and could accommodate a full day of hearings to address both default service and the 2020 Class III RECs in DE 23-044.

The parties respectfully ask the Commission to approve the above calendar changes.

Thank you.

Sincerely,

Daniel Goldner, Chair
