Procedural Order Re: April 16, 2024 Request for Remote Participation

On April 16, 2024, the New Hampshire Department of Energy (DOE) filed a request that its consultant, Mark Thompson, who is based in Oregon, be permitted to participate remotely during the hearing scheduled on May 14, 2024. No objection to this request was filed.

The Commission previously granted the DOE's requests for Mr. Thompson to appear remotely. *See* Procedural Orders dated July 5, 2023 and October 5, 2023. In its October 5 procedural order, the Commission stated that "Mr. Thompson will be permitted to participate remotely during the hearing scheduled on December 13, as well as any other hearing scheduled in the above-captioned docket." (Emphasis added). Accordingly, the DOE's April 16 request is MOOT.

So ordered, this eighth day of May, 2024.
