**Re: Docket No. DE 22-052; Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty  
Revenue Decoupling Adjustment for July 2021 through June 2022**

Dear Chairman Goldner:

On behalf of Liberty Utilities (Granite State Electric) Corp. d/b/a Liberty, enclosed for filing in the above docket is a complete replacement of the Direct Testimony of Erica L. Menard, Melissa B. Samenfeld, and Gregg H. Therrien, with attachments, that the Company filed on September 1, 2022. The Company discovered errors in the testimony and asks the Commission to replace the original filing with the attached. Although the attachments did not change, this filing includes all the original attachments as a more efficient way to proceed.<sup>1</sup> There is thus no need to refer to the original filing. Note that this replacement filing does not change the requested rate adjustment nor the calculations supporting that request.

Also, please add James King [James.King@libertyutilities.com](mailto:James.King@libertyutilities.com) to the service list.

Pursuant to the Commission's March 17, 2020, secretarial letter, only an electronic version of this filing will be provided. Thank you.

Sincerely,

A handwritten signature in dark ink, appearing to read 'M. Sheehan', is written over a light gray, semi-transparent rectangular background.

Michael J. Sheehan

<sup>1</sup> To avoid confusion, the Bates numbering in the attached filing has four digits; the Bates numbering in the original filing has three digits.
