BEDFORD WASTE SERVICES CORPORATION

Petition for Approval of Financing

Procedural Order Re: Proposed Procedural Schedule

On December 21, 2022, the New Hampshire Department of Energy (DOE), with the assent of Bedford Waste Services Corporation (Bedford Waste), filed a request for the Commission to approve the following procedural schedule:

Data Requests (DRs), Set #2 ¹	January 5, 2023
Data Responses, Set #2	January 19, 2023
Technical Session/Settlement Conf. (virtual)	January 26, 2023, at 10:00 a.m.
DRs, Set #3	January 27, 2023
Data Responses, Set #2	February 3, 2023
File Settlement or Status Report	March 2, 2023

The DOE noted that the parties will attempt to resolve Bedford Waste's petition for approval of financing filed in Docket No. DW 22-054 during the temporary rate phase in Docket No. DW 22-058. Accordingly, parallel schedules have been proposed in each docket.

It has been determined that the proposed procedural schedule for Docket No. DW 22-054 is in the public interest and, therefore, it is approved.

So ordered, this twenty-second day of December, 2022.

Daniel C. Goldner
Presiding Officer
Chairman

¹ The DOE stated that responses to the first set of data requests have been filed.
