Dear Chairman Goldner:

**Re: DG 22-057; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty-Keene Division
Winter 2022-2023 Cost of Gas – December 2022 Monthly Cost of Gas Adjustment**

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty-Keene Division (the "Company") and in accordance with Commission Order No. 26,716 (October 31, 2022) in Docket No. DG 22-057, enclosed with this letter please find an updated confidential Excel workbook in support of the Company's November 23, 2022, monthly cost of gas adjustment filing.

The Excel workbook that was provided as support on November 23, 2022, and the first time as part of a monthly cost of gas adjustment filing, contained tab 'Tariff Pg 97(93),' which did not support the PDF version of the Company's filing. This tab is linked to live updated actual and forecasted numbers and was only intended for the initial cost of gas rate calculation. A replacement tab 'Tariff Page 97 – Monthly' has been added to the enclosed workbook to reflect the initial rate calculation with additional rows for the monthly adjustments that are calculated each month on Schedule B.

Thank you for your attention to this matter. Please do not hesitate to contact me if you have any questions.

Sincerely,

/s/Craig A. Holden
