Daniel Goldner
Chairman
New Hampshire Public Utilities Commission
21 South Fruit St., Suite 10
Concord, NH 03301-2429

Dear Chairman Goldner:

Re: **DG 22-057; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty-Keene Division**
Winter 2022–2023 Cost of Gas

On December 30, 2022, the New Hampshire Public Utilities Commission issued *Procedural Order Re: Utilities December Cost of Gas Adjustment Filings* finding, "both utilities' December 22, 2022, tariff filings provisionally non-compliant." Also, "Liberty and Liberty-Keene should file responses to the DOE's letters on or before January 6, 2023."

On January 6, 2023, Liberty-Keene Division (the "Company") submitted a response to the procedural order stating the following:

The Company has had discussions with the DOE and will submit revised tariff pages for the following five filings on or before January 13, 2023. This is necessary to provide a correct starting point on which to subsequently reference prior revision numbers and changes.

- **DG 22-057**   **Cost of Gas for Winter 2022-2023 (rates effective 11/01/2022)**
- DG 22-045   Cost of Gas adjustment for December 2022 (rates effective 12/01/2022)
- DG 22-057   Cost of Gas adjustment for December 2022 (rates effective 12/01/2022)
- DG 22-045   Cost of Gas adjustment for January 2023 (rates effective 01/01/2023)
- DG 22-057   Cost of Gas adjustment for January 2023 (rates effective 01/01/2023)

On behalf of the Company, I enclose for filing the following clean and redline compliance tariff page. This replaces the page submitted on November 18, 2022, in DG 22-057 Cost of Gas for Winter 2022-2023 (rates effective 11/01/2022).

- Nineteenth revised – Page 88

Thank you for your attention to this matter. Please do not hesitate to contact me if you have any questions.

Sincerely,

/s/Craig A. Holden
