Re: DW 22-058 – Bedford Waste Service Corporation
Proposed Procedural Schedule for Temp-Perm Recoupment and
Rate Case Expense Surcharge

Dear Chairman Goldner:

Pursuant to Order No. 26,884 issued on September 12, 2023, Bedford Waste Service Corporation (Bedford Waste) filed its calculation of the difference between temporary and permanent rates as well as a calculation of its rate case expenses. Bedford Waste also proposed a surcharge for the recovery of the same.

The Department of Energy (Department) customarily reviews these filings and to that end, Bedford Waste and the Department have developed the below procedural schedule for the Commission’s consideration and approval:

DOE Data Requests to Bedford Waste	10/11/23
Bedford Waste Responses	10/18/23
Virtual Technical Session; 10 AM	10/20/23
DOE Data Requests to Bedford Waste, if needed	10/23/23
Bedford Waste Responses	10/24/23
DOE Report to Commission	11/17/23

Thank you in advance for the Commission’s consideration of this procedural schedule.

Very Truly Yours,

Marcia A. Brown
