Re: Northern Utilities, Inc., Environmental Response Cost Report through  
June 2022

Dear Chairman Goldner:

Northern Utilities, Inc. ("Northern") hereby submits its Environmental Response Cost Report Through June 2022. This information supports Northern's proposed 2022/2023 Environmental Response Cost ("ERC") rate, a component of Northern's Local Distribution Adjustment Charge ("LDAC") rate. Unitil is filing this report electronically in accordance with the Commission's temporary pandemic procedures.

Due to the file size of attachments, the site narratives, Schedules 4A, 4B and 4C and the supporting documentation associated with each site are included separately.

Under separate cover, dated today, Northern filed its proposed Cost of Gas Adjustment and LDAC rates for the 2022/2023 Winter Period.
