Re: DG 22-059 Northern Utilities, Inc. Motion for Clarification

Dear Chair Goldner:

Enclosed please find Northern Utilities, Inc.'s Motion for Clarification of Order No. 26,713. The Company's request for clarification is limited in nature and relates to the Commission's directive "that the over- or under-collection shall accrue interest at the prime rate as reported by the Federal Reserve Statistical Release of Selected Interest Rates, the rate to be adjusted monthly." As explained in the enclosed Motion, this requirement is not consistent with Northern's Commission-approved Cost of Gas Tariff.

Thank you for your assistance with this matter. If you have any questions or need additional information, please contact me.

Sincerely,

/s/ Patrick H. Taylor
