Dear Governor Sununu,

I have read that the PUC may release an order that changes the current net metering tariff schedule, under PUC Docket DE-22-060. I have also read that a Settlement Agreement has been filed by the 3 investor-owned electric utilities (Clean Energy NH, Conservation Law Foundation (CLF), and the Office of the Consumer Advocate (OCA)) and the NH Hydro Association.

I urge the PUC to accept this Settlement Agreement. I am a strong supporter of solar power and want to make it more available to homeowners and businesses in NH.

By copy of this letter to the PUC Clerk, it is requested that my support for the Settlement Agreement be entered into the docket.

Thank you,

Ruth Larson
