Dear Governor Sununu,  
(cc: NH-PUC, NH-DOE)

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

**I urge the PUC to accept this Settlement Agreement.** My community has several solar arrays at municipal facilities and these projects are important in keeping municipal costs under control. Citizens here continue to demonstrate their interest and desire in finding ways to transition to clean energy. Let's ensure these important efforts can continue and that the solar industry doesn't lose momentum.

The PUC Clerk is included on this email so my concern and support for the Settlement Agreement will be entered into the docket.

Sincerely,

Kathy-Jean Lavoie  
Lancaster Resident
