Subject: Net metering in NH (PUC Docket DE 22-060)

I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

I urge the PUC to accept this Settlement Agreement. (PUC Docket DE 22-060 on Changes to the Current Net Metering Structure).

I am considering (and I assume may others are also considering) adding solar panels and it will not work economically without net metering. Please follow the logical path of all the rest of out NE states.

Thank you for considering my appeal.
