Governor Sununu,

(cc: NH-PUC, NH-DOE)

I recently learned that the NH Public Utilities Commission will soon issue an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by several parties in addition to other proposals offered by the Community Power Coalition and the NH Department of Energy.

**I urge the PUC to accept this Settlement Agreement with the proposed modifications by the Community Power Coalition of New Hampshire.** *[Insert a sentence or two about why you care, e.g., to enable net metering customers to participate in their Community Power programs... to make New Hampshire a leader in innovative local energy markets]*

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket as a public comment.

Sincerely,

Robin Rainie-Lobacz, Energy Committee Member
