Subject: Support for CPCNH Proposal in Net Metering Docket (PUC Docket DE 22-060)

Governor Sununu,

I recently learned that the NH Public Utilities Commission will soon issue an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by several parties in addition to other proposals offered by the Community Power Coalition and the NH Department of Energy.

I urge the PUC to accept this Settlement Agreement with the proposed modifications by the Community Power Coalition of New Hampshire. As a member of the Portsmouth Energy Advisory Committee, I regularly hear that our net metering residents would like to participate in Portsmouth Community Power and currently cannot. I understand that we need to have clear and fair guidelines so that we can move ahead with some of Portsmouth's proposed solar projects.

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket as a public comment.

Sincerely,

Tom Rooney
Portsmouth, NH
