Governor Sununu, NH-PUC, NH-DOE,

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

I urge the PUC to accept this Settlement Agreement.

I am a member of the Portsmouth Energy Advisory Committee and we are planning several solar installations in Portsmouth. We need to have clear and fair guidelines so that we can move ahead with some of our projects.

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket.

Sincerely,

Dr. Peter Somssich, Portsmouth NH
