Honorable Governor Sununu:

I recently learned NH PUC is about to release an order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by 3 investor-owned electric utilities, the Clean Energy NH Conservation Law Enforcement, the Office of the Consumer Advocate, and the NH Hydro Association.

I urge the PUC to accept the Settlement Agreement. I am retired and considering the addition of solar panels to reduce electric costs.

I am sending this email to the PUC Clerk to ensure my concern and support for the Settlement Agreement will be entered into the docket.

Sincerely -

Dennis Swain

Swansey Resident
