Subject: Please keep net metering in place! PUC Docket DE 22-060

Governor Sununu,
(cc: NH-PUC, NH-DOE)

I am urging the PUC to accept the Settlement Agreement filed by Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association in PUC Docket DE 22-060.

At this critical time, the government needs to support NH residents in our efforts to lower our environmental impact by switching to renewable energy. Without net metering, I fear that future solar customers like myself will not be able to afford to make the transition.

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket.

Sincerely,
Caelin Graber
