Governor Sununu,  
(cc: NH-PUC, NH-DOE)

I recently learned that the NH Public Utilities Commission is about to release an Order concerning PUC Docket DE 22-060 on Changes to the Current Net Metering Tariff Structure. I understand a Settlement Agreement has been filed by the three investor-owned electric utilities, Clean Energy NH, Conservation Law Foundation (CLF), the Office of the Consumer Advocate (OCA), and the NH Hydro Association.

**I urge the PUC to accept this Settlement Agreement. *I recently installed a large array to power my brewery. We currently have excess production for which I am being compensated by net metering. The revenue generated by net metering figured large in my decision to install the array.***

I am copying the PUC Clerk on this email so that my concern and support for the Settlement Agreement will be entered into the docket.

Sincerely,

**NAME**
